

Write a program to display your name and roll number in C.

```
#include<stdio.h>
int main()
{
    char a[18]="ABCD EFGH";
    int r1=100;
    char r2[13]="THA075BCT100";
    printf("Name = %s\nroll = %s,\t%d",a,r2,r1);
    return 0;
}
```
